

<b>2006</b>		
NOVEMBER	15	MCAT registration for Jan test dates
December	27	MCAT registration for April and May test dates
<b>2007</b>		
February-May		Attend relevant workshops sponsored by the Health Professions Advising Office and student organizations.
February	1	PreHealth Packet available on-line for new and re-applicants. Deadline for submission and to request an interview for a committee letter is August 15, 2007.
February		Read the instructions for completing the PreHealth Packet; work on personal statement and prepare packet for submission.
February		Compile a list of schools you might apply to and visit each of their web sites for specific information regarding their admission requirements.
FEBRUARY	14	MCAT registration for June and July test dates
March 1-August 15		Complete interview with a premed committee member. BE SMART! Do not aim for the deadline, but for the earliest date available! Spend time with advising resources in the HPAO and on the web to learn about specific health professions schools. Make arrangements for letters of evaluation from others.
APRIL	11	MCAT registration for August and September test dates
APRIL-JUNE		For dental applicants: complete application to take the DAT; schedule yourself to take the DAT and take the test. Dental schools state that applicants should take the DAT no later than June.
LATE APRIL		The HPAO will post an APRIL UPDATE with last minute instructions/clarifications as we learn of them from the application services.
Early to Mid-May		AMCAS 2008 will be available on the AAMC web site ( <a href="http://www.aamc.org">www.aamc.org</a> ). AADSAS 2008 will be available on the ADEA web site ( <a href="http://www.adea.org">www.adea.org</a> )
Early to mid-May		TMSAS application (specific for medical and dental schools in Texas, except for Baylor College of Medicine) is available on line.
June 1-August 30		HPAO moves to VERY limited walk-in hours for students in the application process ONLY. Be aware of this and PLAN AHEAD!
MAY		After your spring grades have been posted, have transcripts sent to application services and any schools that are not

		members of those services. Be sure to have transcripts sent from any college level work you have done.
MAY		If you are applying to any schools that do not participate in a common application service, you will need to check their web sites for application information/instructions.
JULY	4 (or earlier)	HPAO's recommended target date to submit applications to common application services (AMCAS,AADSAS especially). If you took the MCAT prior to June 15, you should have your scores before finalizing your application and this circumstance is most favorable to you as an applicant. If you take the MCAT July 2007 or later do not wait for the scores or any other documentation before submitting the AMCAS application.
JULY-late fall		Complete and submit supplemental applications to AMCAS schools. Timely returns are important for early interviews and decisions.
JULY-late fall		As you receive secondaries and requests for supplemental information, request that the HPAO transmit credentials file to schools.
AUGUST	15	<b>Last date to submit a completed PreHealth Packet and request an interview for ALL professional programs; medical, dental, osteopathic, optometry and podiatry.</b> Last date to submit a re-applicant PreHealth Packet. This is a firm deadline --no exceptions.
AUGUST 30		<b>Last date for interview appointments with a Premed Committee Member.</b> This interview is required for you to have a letter of evaluation from the Premed advisor (required by many schools). This is a firm deadline--no exceptions.
AUGUST-DECEMBER		Continue with supplemental applications as directed by schools; respond to interview invitations, etc.
JANUARY 2008		Send fall transcript to schools still considering your application. See a health professions advisor if you have not heard from schools.
