George Washington University—Early Assurance Program

Completed applications are due to **HPAO by March 9th**. The pre-medical advisor will review all applications before submitting to George Washington University. In addition, a copy of all the applications will be maintained in HPAO. **The Health Professions Advising Office will mail all completed applications to this program. Students may not apply directly to GWU; they must apply through the HPAO.** Competitive applicants will be invited to George Washington University in June for an interview. Final decisions are usually made by July. ***This completed checklist must accompany your application.***

Your Application Checklist **Student Name and signature:** _____

- My overall GPA is 3.3 or above.
- I have attached a photo suitable for forwarding the GWU SOM.
- I am not a transfer student.
- I have never received a science grade below a B- since enrolling at the University of Maryland.
- I have declared an academic major at the University of Maryland.
- I will complete my fourth semester at the University of Maryland at the end of this semester.
- I will complete a minimum of 60 credits by the end of this semester.
- I will have completed two semesters of chemistry and two semesters of biology *or* physics at the end spring.
- My SAT score is at least 1200 or above (math and verbal only) or my ACT score is at least 27 or above (An official copy of these must be submitted if they do not appear on your high school transcript). Do not wait until the last minute to locate your SAT scores. These have been a source of trouble in the past. If you need to go through the College Board for your scores, this will take several weeks.
- At this time, I have had no substantiated allegations of inappropriate academic or personal comporment.
- I have submitted 3 confidential letters of recommendation to HPAO *by the March 9th deadline* for GW. At least one letter is from a science professor. Allow the recommenders at least a month to complete their letters.
- I have submitted my high school and University of Maryland transcripts to HPAO.
- I have submitted a description of my academic goals for the last two years of college including a two-year projection of specified course work.
- I have submitted a completed application to HPAO for review. Incomplete applications ***will not be considered!***
- I understand that I must withdraw from the GWEA program if accepted, if I elect to take the MCAT at any point.
